

Le Hérisson School

Smoking Policy

Reviewed by the Proprietor, March 2017

Introduction

Children's health and well-being is of the upmost importance for the Le Hérisson School. Smoking has proved to be a health risk and therefore in accordance with legislation, the school operates a strict no smoking policy within its buildings and grounds. Furthermore, it is illegal to smoke in enclosed places.

You are respectfully required to abstain from smoking whilst on the premises. This rule also applies to staff, students, parents, carers, visitors, contractors etc.

Staff accompanying children outside the nursery are not permitted to smoke. We also request that parents accompanying school children on outings refrain from smoking whilst caring for the children.

Staff must not smoke as it is essential that staff are positive role models to children and promote a healthy lifestyle. If staff choose to smoke during breaks they are asked to smoke away from the premises.

We respect that it is a personal choice to smoke, although as an organisation we support healthy lifestyles and therefore help staff and parents to stop smoking by:

- Providing factsheets and leaflets
- Providing information of local help groups
- Providing details of the NHS quit smoking helpline - www.smokefree.nhs.uk
- Offering information regarding products that are available to help stop smoking
